

Friends of the BARNHILL ROCK GARDEN

A recognised Scottish Charity - No. SCO28973

Awards

The Friends work hard with the Council and the Gardener to satisfy the conditions for many awards:

- Green Flag
- Visit Scotland
- Keep Scotland Beautiful:
It's Your Neighbourhood Award

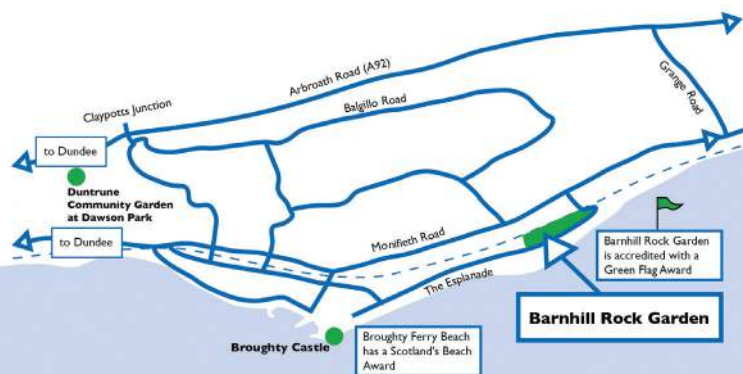

So remind yourself of the benefits of being a Friend and help support the garden by joining now.

Would you consider becoming a Friend of The Barnhill Rock Garden?

- ✿ You would be helping to support the upkeep and improvement of this lovely garden.
- ✿ You could meet others interested in gardening activities.
- ✿ You could join the garden team for their weekly maintenance and development of the garden, BUT YOU DON'T HAVE TO!
- ✿ A chance to learn new gardening skills
- ✿ Summer excursions to other fascinating gardens and places of interest are not to be missed.
- ✿ During the winter, invited speakers cover a variety of interesting subjects.
- ✿ A twice yearly newsletter will keep you up to date with all the on-going activities.

We are sure you will agree that for an annual subscription of £10, or £12 for a couple, there is a lot on offer.

More than four hundred Friends already enjoy these benefits and so can you.

Over the years the Friends, founded in 1997, have helped to improve and develop the garden, in conjunction with the Council. As well as garden maintenance, here are some of those achievements.

Scree beds

Further large areas of natural volcanic rock have been exposed.

We continue to supplement planting with a variety of seasonal alpines and bulbs.

Glasshouse

The Glasshouse is used as an information/visitor centre and meeting place.

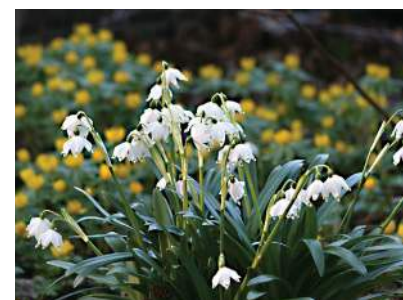

The surrounding beds and patio showcase an interesting selection of unusual plants.

Plants are also available here for purchasing in the summer.

Snowdrop Wood

Each year we add more woodland plants and bulbs for display during the Scottish Snowdrop Trail in early Spring.

Nursery

A poly-tunnel, glasshouse and cold frames enable the Friends to propagate a large variety of herbaceous and woody plants for the Garden and the plant sales table.
